Thank you for attending the 2021 GPC LEC! Please note: ONE Zoom link will be used for the entire duration of the conference (both the October 21st and the October 26th sessions). This virtual conference has been structured to support breakout rooms. At the specific points on the agenda that breakout rooms are used, conference attendees will be provided instructions on the breakout room options and how to join/switch a breakout room. We hope to guide participants to the appropriate virtual locations and provide everyone with a seamless learning experience.
